Checks should be made payable to The Yoder Farm. You may pay at the time you pick up your asparagus.

Since we do not maintain a farm stand or regular business hours at the farm, we prefer to arrange pick-up or delivery by appointment. Obviously, with this arrangement, our primary clients are residents of the Fort Wayne metro area who desire locally produced maple syrup, vegetables and hay.

The best way is for you to complete an order form and send it by mail or send an order by e mail. Be sure to provide us with a phone number, e-mail or postal address where you can be reached.

We'll confirm your order and then let you know when your order is ready. At that time we can make mutually convenient arrangements for pickup or delivery.
